-Virginia & U.S. History (11th Grade) - Standards VUS.12c, VUS.12d
(Link to VUS Curriculum Framework)

Materials:
● Recording of Episode 2, Part 2: www.withgoodreasonradio.org/vietnam
● Speakers to amplify recordings for class listening session, if needed
● Student Handouts -- Inquiry Guide & related graphic organizers

Expected length: Three or more 40-minute class meetings, depending whether you make this a group or individual assignment

Teacher plan for instruction:
1) Decide if you want to make this an individual or group activity, or some combination of the two. If you choose “group”, assign each group a different supporting question. When work on the supporting question tasks is complete, each group will have members assigned as “presenters” who will present their findings. Those not presenting must fill out a “listening guide” to record info (not included).
2) Instruct students to listen to each source recording and complete the formative tasks, as the IDM blueprint describes. Graphic organizers are provided, if you see the need.
3) With the whole class, read and seek clarifying questions on the Summative Performance Tasks: the argument, the extension (you can offer as extra credit or as a substitute for the argument piece), and the “taking informed action” tasks. Circulate as students work to provide one-on-one help with analysis skills and how to fill out graphic organizers and create a professional-quality postcard.

*NOTE ON HOW TO USE: Link in each TASK section will take you to Google Doc version of graphic organizer. Revise or adapt to fit your needs. To revise and edit Google Doc, click “File” and then “Make a Copy”. Relabel and refile as you wish. A copy of all organizers can also be found at the end of the lesson plan.

**Understand** - Investigate current and past social and political problems with Native Americans and Montagnards fighting in military conflicts. Research to find 3 relevant articles or other media.

**Assess** - Identify three major problems and three solutions to those problems. Use this graphic organizer, if you’d like. A copy of this is at the end of this lesson plan and is labelled “Taking Informed Action Organizer”.

**Act** - Design a postcard that will be sent to all Americans. The goal of the postcard is to make Americans more aware of the contributions of indigenous military veterans. On the back of the postcard, write a clear, convincing message that mentions two problems that indigenous military veterans face and also two solutions to these problems. On the front of the postcard, draw an image or images that visually represent your ideas and convince Americans to read your message. Use this blank PDF template as a graphic organizer, if you’d like.
